

AJIT KUMAR KAMAT

Front-end developer

🏠 Aya Nagar, New Delhi 📞 8789387512 ✉️ ajitinfotech28@gmail.com [in LinkedIn](#) [GitHub](#)

Profile Summary

Front-end developer with hands-on experience in **React.js**, **Tailwind CSS**, and **JavaScript**, currently learning full-stack development to build complete web applications with clean code, solid structure, and a focus on usability.

Experience

Qubyte Consolidate

Jun 2023 – Jul 2023

Front-end Developer Intern

Noida, Uttar Pradesh

- Developed a user-friendly **Admin Dashboard** using HTML, CSS, and JavaScript, saving over **10 hours per week** through optimized workflows and cross-browser compatibility.
- Implemented **dark/light mode toggle** for enhanced accessibility and user preference, improving overall UI/UX engagement.
- Enhanced mobile responsiveness, resulting in a **35% increase in mobile traffic** across devices of various screen sizes.
- Debugged and resolved performance issues, achieving a **40% improvement** by addressing a critical UI bottleneck.

Projects

Portfolio | [Link](#) | React.js, CSS, React Icons

Aug 2024 – Sep 2024

- Designed and developed a sleek, high-performance portfolio using **React.js** to showcase my work, skills, and journey.
- Responsive design, smooth animations, and interactive components deliver a standout **UI/UX** across all devices.
- Integrated **Web3Forms** API with robust form validation for seamless and reliable email submissions.

Pholium | [Link](#) | React.js, CSS Modules, Firebase

Dec 2024 – Jan 2025

- Built an online photo album web app with **CRUD** functionality, allowing users to organize and manage digital albums.
- Integrated Firebase for **real-time** cloud storage and user authentication, ensuring secure and scalable backend support.
- Designed a clean and mobile-friendly **UI**, focusing on accessibility, performance, and cross-device compatibility.

Nomzo Food | [Link](#) | React.js, Tailwind CSS, Material UI, Jest

Jan 2025 – Present

- Integrated Swiggy and **Instamart APIs**, added features like search, filters, and cart, enhancing user experience.
- Optimized app with chunking for 300ms load times and **Shimmer** effects for smoother UI during data fetching.
- Utilized Parcel bundling and Jest testing to ensure performance, stability, and robust code quality.

SwiftBox | [Link](#) | React.js, Tailwind CSS, React Router

Jan 2025 – May 2025

- Developed a **responsive** website to effectively showcase the company's IT solutions, services, and technical capabilities.
- Engaging user experience with **Framer Motion**, React Router-based page transitions, and modular UI components.
- Optimized for **SEO**, 200ms fast load speed to ensure high performance and accessibility across all devices.
